

Hey Everyone!

Hope your Labor Day was Safe and successful!

September Specials are:

Laser Hair Removal, Buy one treatment, get the second of equal or lesser value at half price! If you haven't tried laser hair removal, now is the perfect opportunity! It takes a series of treatments to become hair free...but think how much time and money you would save if you never had to shave again!

E-two, the amazing new laser that tightens skin, stimulates collagen and fills in lines, evens out skin tone, minimalizes pores, normally \$1000, a treatment, now \$2100, for three treatments! This laser is amazing mini face lift, and this is the perfect opportunity to get ready for the holidays!

We offer a wide variety of services! Did you know we offer several microdermabrasion treatments and facials, we also offer laser treatment for sun damage, spider veins, nail fungus, several skin rejuvenation and anti-aging treatments and body sculpting! Gift Certificates are available!

Please feel free to forward this on to your friends, family, and co-workers! We love and reward for referrals! Call, text or email for appointments, and don't forget to check us out on facebook!

Thank you!
